SUHAIL

Technical Skills: Python, C++, Java, HTML/CSS/javascript, SQL, Cloud Computing, DSA , Machine Learning ,Django , MS Excel

Certification:

- Python Essentials,VITyarthi ,2023
- Machine learning with Python,IBM
- Cloud Computing ,NPTEL

EDUCATION			
Board	Tenure	Educational institution	CGPA/Percentage
B.Tech (CSE)	Aug2022-ongoing	VIT Bhopal University,Bhopal ,Madhya Pradesh	8.53/10
Class XII	July 2021	D.A.V. Public School,Baghpat,Uttar Pradesh	92%
Class X	May 2019	D.A.V. Public School,Baghpat,Uttar Pradesh	94%

ACADEMIC PROJECTS	
Front-End	E-Commerce Website E-commerce website for online shopping using HTML,CSS,Javascript allow users to to choose from variety of products.
Hindi-Text Emotion detector	Hindi text Emotion Detector Designed and implemented a Python-based Hindi text emotion detector utilizing machine learning techniques for sentiment analysis. Overleaf link: https://www.overleaf.com/project/65f06262d8cb46787d211e16

CO-CURRICULARS	
Coding	<ul style="list-style-type: none">• Leetcode C++ , Python , Java• College time practise

Experience	
Internship May 2024 - Jul 2024 (2 months)	Organization : Suvidha Foundation Skills Acquired: Utilized machine learning techniques effectively. Enhanced project management capabilities. Gained insights into ethical considerations for deploying AI solutions with a focus on societal impact.

Trainings	
<div>Machine Learning With Python</div> <div>IBM, Online</div> <div>Aug 2023 - Dec 2023</div>	<div>Machine Learning With Python</div> <div>Machine Learning Expertise:The IBM certificate showcases my proficiency in implementing machine learning algorithms.</div> <div>Hands-On Experience: It involved practical labs with Python libraries like NumPy, Pandas, and Scikit-learn for data preprocessing, model building, and evaluation.</div> <div>Advanced Skills: The certification validates my abilities in supervised and unsupervised learning, including regression, classification, and neural networks, enabling me to drive data-driven innovation.</div>
<div>Python Essentials</div> <div>Vityarathi, Online</div> <div>Apr 2023 - Jul 2023</div>	<div>Python Essentials Vityarathi, Online</div> <div>Foundational Expertise: The Python Essentials certificate from VITYarathi demonstrates my foundational proficiency in Python programming, including key concepts, syntax, and data structures.</div> <div>Practical Skills: It equipped me with practical skills in software development, data analysis, and automation.</div> <div>Commitment to Learning: This certification reflects my commitment to continuous learning and readiness to apply Python effectively in various projects.</div>
